PORTOBAY FALÉSIA

The PortoBay group's first hotel in the Algarve is located in the town of Olhos d'Água. Surrounded by green spaces and overlooking the wonderful Praia da Falésia beach, it offers breathtaking views over red cliffs and white sands lapped by the clear, calm waters of the Atlantic.

This is the place to enjoy a peaceful and reinvigorating holiday, making the most of the hotel pools or swimming in the Algarve sea itself. Why not relax with a revitalising massage or immerse yourself in the greens, oranges and blues of the surrounding scenery.
