PORTOBAY MARQUÊS, 'HOME IS ALSO A FEELING'

PortoBay Marquês is the PortoBay Hotels & Resorts four-star hotel in Lisbon. A year after the opening of the 'boutique' five-star PortoBay Liberdade hotel, the group is boosting its presence in the Portuguese capital with a second hotel located on Rua Duque de Palmela, just around the corner from **Marquês de Pombal Square** and a few steps from the Avenida da Liberdade.

"We are aware of the market and the development of new tourism models. We want to respond to this development and, particularly with this hotel, we are designing new approaches: to the reception, the restaurant, the rooms, in the recreational areas," states António Trindade, PortoBay President and CEO.

'Home is also a feeling' defines the new PortoBay Marquês, a hotel designed to make guests feel at home. With 72 rooms, the hotel has 22 junior suites, 21 superior rooms and adjoining rooms with a common entrance, offering the ideal atmosphere and convenience for families.

In every room there is an area especially dedicated to tea and coffee making facilities with the option of adding a microwave on request. The junior suites offer even more comfort, with a wet bar (microwave, minibar and sink).

The entrance lobby, with the **Bar de Baixo**, resembles a friendly, family living room with a more intimate adjoining terrace. On the hotel's top floor terrace is a small but charming heated outdoor pool with jets, solarium with sun beds, gym, sauna and

Turkish bath. The **Bar de Cima** supports these areas, making this a great venue for holding events.

With direct access to the street, but still part of the hotel's facilities, the restaurant **Il Basilico** features the much-loved and intense flavours of Italian pasta and risotto, in a comfortable atmosphere with a touch of industrial chic. The kitchen is under the charge of Chef João Espírito Santo.
